

The graphic features a central image of the four main characters from 'The Wizard of Oz' (the Scarecrow, Cowardly Lion, Tin Man, and Dorothy) walking away from the viewer down the yellow brick road. The background is a bright green landscape with trees and a blue sky. The entire scene is framed by a dark, jagged, torn-paper-like border. The text 'THERE'S NO PLACE LIKE OHIMA' is overlaid on the top left, and 'ANNUAL MEETING & TRADE SHOW' is on the right. The dates 'March 21-23, 2022' are at the bottom right.

MEETING
& TRADE
SHOW**

March 21-23, 2022

There's No Place Like Home.
There's No Place Like H.I.M.

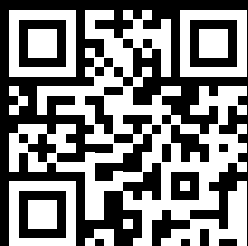

THERE'S NO PLACE LIKE OHIMA!

We are returning to Oz for OHIMA22! Follow the yellow brick road to our hybrid OHIMA 2022 Annual Meeting & Trade Show. You won't want to miss the education, networking and fun this event offers! OHIMA22 will take place in person from March 21-23, 2022 in Columbus, Ohio and virtually March 21-May 31, 2022 via our conference platform, *Whova*.

All registered attendees will receive access to all educational sessions. In-person attendees can attend the event onsite in Columbus, Ohio at the Hilton Easton and then later watch the recordings online to earn CEUs for the concurrent sessions they missed. Virtual attendees can attend the conference from their home or office; select presentations will be live-streamed and all other educational sessions will be offered in a recorded format — all within *Whova*. We hope to see you in Columbus!

REGISTRATION & PRICING

	EARLY BIRD PER DAY By 2/28	LATE PER DAY By 3/14	EARLY BIRD FULL CONFERENCE By 2/28	LATE FULL CONFERENCE By 3/14

	Dealing with the Dreaded Performance Review	Wendy Christie
	Elevating HIM Leadership through Effective IT Collaboration	Erin Head
On-Demand	AHIMA's 2022 Report to the CSAs	Tim Keough

TUESDAY

MARCH 22, 2022
13 AHIMA CEUs*

HIGHLIGHTS

SETTING THE STAGE FOR HEALTHY CONFLICT

Neil Ihde - Life IQ

It is a fact that if you combine people, a common environment, and enough time, there will be conflict. It is not a possibility, but an inevitability. Conflict tends to increase stress and anxiety and triggers an emotional fight or flight reflex. When emotions are in a heightened state, it is difficult for us to tap into higher cognitive functions such as critical thinking, listening, and empathy. We must then learn to plan, prepare, and manage this conflict in a healthy manner. We can start this process by understanding and extolling the benefits of having and mining for conflict.

STUDENT NETWORKING LUNCH

Onsite student attendees can enjoy their boxed lunch while hearing from OHIMA leadership about resources available and ways to get involved.

HAPPY HOUR WITH EXHIBITORS & SPEED NETWORKING

Enjoy complimentary food and drink while networking with the exhibitors onsite. Consider participating in our speed networking session! Speed networking offers the opportunity to meet many other HIM professionals in a short period of time. It's fast and a lot of fun! Bring your business cards.

** AHIMA CEUs are also accepted by the AAPC! Check eligibility on the AAPC website.
Bonus! AHIMA's 2022 Report to the CSAs will be available online for all attendees.*

	Revenue Cycle Trends and What to Expect in the Future	Tracy Peffley
On-Demand	AHIMA's 2022 Report to the CSAs	Tim Keough

WEDNESDAY

MARCH 23, 2022
19- AHIMA CEUs*

Attendees who register for Wednesday will get access to BOTH the Coding and Compliance tracks.

CODING TRACK

MORNING CODING WORKSHOPS

Musculoskeletal coding for hand, wrist, foot, and ankle procedures is a challenging proposition. With these body parts representing over 50% of the bones in the body, more than 50 joints, and over 200 muscles, tendons, and ligaments, it is no wonder that coding professionals are often perplexed when faced with coding these procedures. So, help is on the way! OHIMA is providing ICD-10-PCS and CPT workshops led by nationally recognized speakers, **Lynn Kuehn** and **Kim Huey**, to engage attendees in an interactive experience using case studies to illustrate appropriate coding. Question and answer time is integrated into the discussion of the case coding. Workshop attendees are asked to bring either a 2022 ICD-10-PCS or CPT manual; a laptop with access to an encoder; or the PCS file from CMS in order to code cases during the program. In addition to these workshops, OHIMA will have pre-recorded physician webinars with providers discussing not only hand/foot anatomy, but frequently performed procedures for these sites. These discussions will help prepare coding professionals for the workshops.

AFTERNOON CODING BREAKOUTS

1:00 PM	Coding Skin Grafts in PCS & CPT	Dee Mandley
	Common Coding Errors	Karen Pickering
	Critical Care Coding	Christine Breithoff
2:15 PM	Observation Criteria and the 2-Midnight Rule	Monica Genzman
	The "Skin"ny on Coding Ulcers	Dianna Foley
	Who's With Me? Understanding the "with" Convention in ICD-10-CM	Marquita Rawlins
