

CEU Info – OHIMA Online Education

Where is my CEU Certificate?

OHIMA does not provide paper CEU certificates since everything is now online. AHIMA does not require paper CEU certificates – only "documentation" in case you are audited. You can view/print a report of your earned CEUs by visiting your profile on the OHIMA website: www.ohima.org. Click "My CEUs" under the Members menu. After logging in, you can export or print a PDF report of the CEUs you've earned with OHIMA since January 2020.

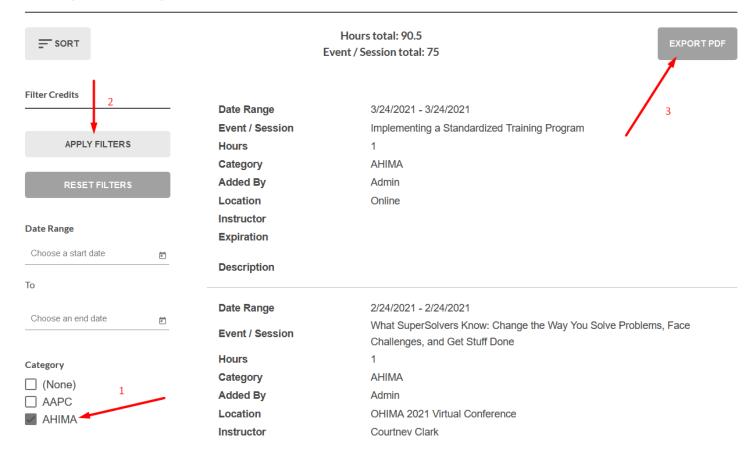

*For accurate results, filter by AHIMA or AAPC (on the left) or it will display a total of both the AHIMA and AAPC hours.

*Your CEUs will remain in your OHIMA profile for your reference indefinitely.

How do I record CEUs with AHIMA?

You need to manually enter your OHIMA CEUs in your AHIMA CEU Center (they will **NOT** transfer automatically as we have separate systems). For OHIMA conferences, we recommend entering ALL the CEUs as one entry, for example: "OHIMA 2021 Virtual Conference" and the total # of CEUs earned. Choose the domain that covers most of them.

Are OHIMA online courses and webinars eligible for AAPC CEUs?

AHIMA CEUs are also accepted by the AAPC! Currently, AAPC does not accept AHIMA CEUs for specialty required CEUs. Check eligibility on the <u>AAPC website</u>.

Where is the code for AAPC CEUs?

AAPC accepts AHIMA CEUs on a 1:1 basis. For example, if you earned 6 AHIMA CEUs at the OHIMA Coding Seminar, it qualifies for 6 AAPC CEUs as well. There is no need to enter a special code with your CEUs on the <u>AAPC website</u>.

Why are my OHIMA CEUs not appearing in my CEU Center on the AHIMA website?

The OHIMA website is not connected to AHIMA's CEU Center. Therefore, you need to manually enter OHIMA CEUs in your AHIMA CEU Center. Enter the entire event as one entry (for example: "OHIMA 2020 Virtual Conference" and the TOTAL number of CEUs you earned). Then, you can reference the detail on OHIMA's website if needed.

I am missing CEUs in my profile after listening to the content in full.

Did you watch the video using Internet Explorer or a VPN? Did you watch at least 90% of the video? Any of these will prevent your CEUs from automatically applying to your OHIMA profile. If this is the case, please email support@ohima.org for further direction.

I am trying to access CEUs, but it keeps saying "loading".

Avoid using Internet Explorer as it is incompatible with our Learning Management System. Try viewing your CEUs via a browser such as Google Chrome, Firefox, etc. If your computer continues to say "loading", try your phone.
