

As we embark on the 2024 new year, we would like to take this opportunity to thank you for your continued support as a member of Northwest Ohio Health Information Management Association (NWOHIMA). As a member you can expect to receive exclusive access to the latest best practices in the field along with various opportunities to connect with other health information management professionals.

Membership definitely has its advantages and as a member of NWOHIMA you have access to:

- Quality CEU opportunities, which are offered locally at a reasonable cost.
- Networking opportunities to share experiences and make those valuable professional connections.
- Personal notification of upcoming events.
- Opportunities to grow professionally.
- Mentoring and volunteering opportunities.

AHIMA has recently announced a new requirement that **NWOHIMA members must be an active AHIMA member**. All members must comply with this new AHIMA requirement by June 30, 2024. We are hoping this new requirement does not affect our membership and that everyone will continue to be a valued part of our success and region.

**Membership Options:**

**NWOHIMA Membership- \$15/year**

**NWOHIMA Student Membership-Free (while actively enrolled)**

**\*\*Only paid members and student members will have access to CEU events effective January 1, 2024.**

The board is currently working diligently planning for the upcoming NWOHIMA Symposium & Annual Meeting. Details will be coming soon!

See our website <https://www.ohima.org/northwest-ohio> for more information and registration.
